

WEEKLY CHAINSAW OPERATOR SAFETY TRAINING (Safely Operate and Maintain Chainsaws)

Training Delivery and Purpose:

Training and assessments conducted by **Peter Tutt**, (Chainsaw specialist and qualified technician with over 30 years of chainsaw direct industry technical and training experience) to provide participants with:

The knowledge and skills to safely and effectively operate, maintain (including sharpening) chainsaws, as per Australian Standard: AS 2727 – 1997 and AQF Units of Competency:

- AHCMOM213 Operate and Maintain Chainsaws *(Replaces AHCARB205A)*
- FWPCOT2238 Cut Materials With a Hand Held Chainsaw *(Replaces FPICOT2238A)*

Where: 1/24 Cohn Street (Near Cnr Bishopsgate St) Carlisle W.A. 6101

Duration: One (1) day

When: Every Friday 7.45 AM start (See calendar for available dates)

Course Fees:

Option 1: Full (Initial) Course: Includes issue of nationally recognised Statement of Attainment AHCMOM213 & FWPCOT2238 (by Equip-Safe RTO # 0846) to applicants who meet the requirements.

Cost: \$275 (GST Free) per participant - Contact us for a quote for larger groups

Option 2: Refresher Course: Issue of Verification or Certificate of Competency (*VOC*).

For those who don't need nationally recognised SOA, (already hold AQF Chainsaw Competency) or just want to learn more about chainsaw use and maintenance

Cost: \$230 (GST Free) per participant - Contact us for a quote for larger groups

CTF Rebate: Depending on your use, this course may be eligible for CTF rebate. Contact us to discuss this.

Course Content

- Hazard control and OHS requirements
- Personal protective equipment
- Identify and perform maintenance needs
- Sharpen and tension chain
- Safe and Efficient Cutting techniques
- Practical application and skills development

What We Provide For the Day

Chainsaw (1 per person), chaps (1 pr per person), headwear (1 per person) and training notes are provided for participant's use. To increase training relevance and operator comfort, trainees are encouraged to bring any or all their own equipment if practicable.

Personal Requirements Participants Need to Bring:

Participants need to wear safety boots, hi-vis clothing and bring their food and drink for the day. There are take away food outlets nearby if needed. Depending on season, sunscreen is also recommended.
